

The Association of Choice For Estate Planning Professionals

About MSEPC:

The Estate Planning Council of Mississippi (MSEPC), established in 1944, is comprised of local attorneys, CPAs, trust officers, insurance professionals, financial planners, business valuation experts and members of the planned giving community whose professional careers are centered around helping individuals achieve their estate planning objectives.

The MSEPC is affiliated with the National Association of Estate Planners and Councils (NAEPC), a national consortium comprised of 268 estate planning councils across the United States, with a network of approximately 30,000 individual members.
